
THANK YOU

THANK YOU

On behalf of the Cuyahoga County Board of Health, I would like to thank you for your agency's involvement in the 2009 H1N1 "Swine Flu" vaccination campaign. Your participation, in collaboration with other community partners, provided us the ability to vaccinate over 41,000 people between October 2009 and April 2010.

It was a pleasure working with you during this important public health initiative. We truly appreciate your support, and look forward to working closely with you on other public health issues.
