Koehn Sculptors' 31st Annual Christmas Open House at the Sanctuary on Green

An enchanting experience awaits you when you enter our home of traditional holiday shopping, personalized service and attention to detail. Browse our rooms of holiday color, sounds aroma, and cheer. Discover sculptures created in our studio & unique treasures from around the world. Bring your entire gift list as well as friends who visit and the neighbor next door to select a treasure or two for the season, a gift for a special person or occasion, an ornament for the tree, or... all of the above! We continue our tradition of craftsmanship, memories & holiday wonders and appreciate your patronage.

During the Open House, our Bavarian Tea Studio will feature 80 micro-brewed teas, coffees and hot chocolate, homemade soups and pastries.

Bulk teas and strudels are also available as take-out for your Holiday parties.

(No reservations • Limited seating. Full Tea Studio menu and reservations resume in March)
