The age requirements for children that are interested in volunteering for the Playground of Possibilities build are:

Ages 14 – 17 years old may work independently on a crew but may NOT use power tools.

Ages 10 – 13 years old must work alongside a parent or guardian. Their safety is YOUR (the parent or guardian) responsibility. If you are at all uncomfortable having them work with you, please check them into childcare.

Ages 0 – 9 years are not allowed on the site and MUST be checked into childcare.

A skilled volunteer is an individual that is comfortable using a circular saw.

An unskilled volunteer is an individual that is not comfortable using a circular saw.

Captains—We need 12 captains. A captain is a volunteer that commits to working the entire week of the build, from Sept. 23 – 29th from 7am until dark each day. They will receive a cool t-shirt and get to eat first at mealtime! Captains are responsible for leading the construction. They will take charge of individual work crews and will be trained prior to construction beginning.
