### **SOUTH EUCLID POLICE DEPARTMENT ANNOUNCEMENT REGARDING PLAYGROUND ARSON SUSPECTS**

The South Euclid Police Department on Friday announced that three juvenile males have admitted responsibility for setting fire to the Playground of Possibilities at Bexley Park.

"It was through the help of the residents of South Euclid that we were able to generate some viable leads which led to the identification of the three suspects" stated Police Chief Kevin Nietert. "The South Euclid Police Department has had an opportunity to speak with each of these juvenile offenders who acknowledged their responsibility in setting the fire and its unintended consequences"

The case is being turned over to the Cuyahoga County Juvenile Court where the juveniles will be charged accordingly. Because the suspects are juveniles, their names are not being released.
