All listed courses (except IS-300/IS-400) can be completed through the FEMA Emergency Management Institute Independent Study Program		
To get started:		
1. Go to website: http://training.fema.gov/IS/		
2. Click on ISP Course List		
3. Select your course of interest		
Once you have studied the training material, you can submit your final exam, all from the convenience of your home or office. Upon successful completion, you will receive an email within one business day that confirms your transcript has been updated and a link to create your electronic certificate.
