Report of Committees

Zoning & Planning Committee

Councilman Russell reported that the committee met for a public hearing regarding Ordinance 11-18, a zoning text change allowing conditional uses for financial institutions. The committee also met to discuss Ord. 12-18 regarding Small Cell Regulation and Ordinance 01-17 regarding the Architectural Review Board's review of residential properties.

Safety Committee

Councilman Gelfand reported that the committee met regarding Ord. 13-18 & 14-18, which are companion ordinances creating the new rank of corporal in the South Euclid Police Department. Mr. Gelfand stated that the current situation creates an inconsistency in leadership and the legislation was requested by the police union and might save some money. Councilman Gelfand stated that Ordinance 14-18 fixes the salary for the corporal position and also closes a loophole in insurance to make sure that married couples that work for the city would not be able to double dip.

Committee of the Whole

Council President Fiorelli reported that the committee held its monthly meeting to review finances and that the June 30th General Fund balance is around \$2.4 million. Mr. Fiorelli reported that Fire Chief Doug Stefko gave an update on department grants.

Finance Committee

Introduced by Fiorelli

Resolution 26-18

RESOLUTION

AUTHORIZING THE MAYOR TO PAY A MORAL CLAIM. **THIRD READING.**

Council President stated that the legislation needs to be amended to state that the Claim is in an amount of "the insurance deductible or an amount not to exceed" \$994.68.

Action: Motion to Amend Legislation, **Moved by** Council President Dennis Fiorelli, **Seconded by** Councilman Marty Gelfand.

The legislation has been amended.

- Councilwoman Gray stated that if we are going to pay her deductible why isn't the legislation based on the amount of the deductible and that until she provides us with the exact amount of her deductible, we should wait. Ms. Gray stated that the Law Director has stated that the city does not have a legal responsibility and she has not provided us with the information from her insurance company, so how can council move forward.
- Law Director Lograsso stated that she did give the city three estimates.
- Councilwoman Goodman stated that the City does want to pay out of pocket costs to make a person whole, but there's no verification that the claimant has paid for the repair or that any money has come out of her pocket.
- Councilman Russell asked what happens if the deductible exceeds the amount.
- Councilwoman Goodman asked what happens if she doesn't have the money to make the repairs and the legislation should say the city should say that the city will pay for repairs.
- Council Clerk Benjamin made a suggestion regarding who the moral pay would be paid to without her name and asked the Law Director to provide clarification.
- Councilman Gelfand offered language similar to Clerk Benjamin's suggestion with the removal of the name.

- Councilwoman Gray asked why don't we give the claimant \$994.68 and it is paid for and let it go? Why are we requesting more information if she submitted estimates.
- Councilman Gelfand stated that the city doesn't have to pay it, but will accept responsibility and pay the claim.
- Councilwoman Gray asked in previous moral claims who were the checks made out to and Finance Director Wendt stated that it was paid to the claimant.
- Councilwoman Gray stated that if we are responsible, we should give her the money and stop dragging our feet.
- Council President Fiorelli called a vote on the amendment.

- Doc Janning, 2092 Campus Road, stated that he has lived in South Euclid since 1981 and read a poem he wrote titled "Songs of the Multiverse"
- Dawn Ambrose, 4356 Adrian Road, stated her concern regarding a tree that came down during a storm that is an eyesore and is on a vacant lot that is also a concern with kids going back in the lot and congregating. Mayor Welo stated that the city will look into the issue.
- Laverne Davis, 4344 Adrian Road, also spoke regarding the tree and vacant lot and stated that the wooded area is a hazard. Ms. Davis inquired on when Adrian Road might be resurfaced. Mayor Welo responded that Adrian is rated one of the worst condition streets and the chances are good that the street will be resurfaced next year.
- Chuck Turner, 4549 Lilac Road, stated that he created a new sign that might have thrown the city for a curve. It says "No more tax, give Welo the Ax" because Mayor Welo condones and allows the police department and police chief to harass him and that false police reports have appeared on Cleveland.com about him. Mr. Turner stated that the city has some pretty trashy people and if the leaders think that you're going to pass an income tax increase without him gaining a little support from the voters, you are sadly mistaken.
- Cory Mohering, 1544 Holmden Road, stated that the city does a lot for the residents and offered his appreciation, including for grants that helped him rebuild his garage.
