

Fire Explorers Post 1349

The purpose of this post is to encourage motivated men and women ages 14-20 (that have completed the eighth grade) to consider careers in the Fire and Emergency Medical Services. This will be done in a safe and structured manner through class room and hands on instruction, as well as ride-alongs on real fire department incidents.

Post 1349 was formed by the South Euclid, Lyndhurst and Mayfield Heights fire departments. We have two meetings a month and participate in parades, public education, and fundraising. The only cost is a recharter fee (typically \$35.00) paid directly to the Boy Scouts of America for an insurance policy. The post provides members in good standing with uniforms and retired turnout gear to practice with.

This post instills in its members a sense of discipline, respect, duty, honor, and excellence. It is these characteristics that will lead our members to success not only in the fire service, but in life as well. If you are interested in becoming an explorer member, or would like to hear more about our explorer post, please contact Post 1349 Lead Advisor Jamie Moroney at jamoroney@seuclidfire.com Please visit our Facebook page at <https://www.facebook.com/Fire-Explorers-Post-1349-504326456324239/>
