

Because of your support, Cuyahoga County and our local communities have made progress in reducing the serious problem of pet over-population. We are striving to ensure that every animal has a loving and forever home.

We are grateful for your support.

With the proceeds from this event, we will be organizing spay/neuter programs for pets of South Euclid residents. Please join us for the Tree Lighting Ceremony for Pets Who Light Up Our Lives.

The South Euclid Humane Society is always looking for volunteers. Please, if you love and care about animals, consider donating some of your time and love for those animals less fortunate than your own.

RAINBOW BRIDGE

Just this side of heaven is a place called Rainbow Bridge. When an animal dies that has been especially close to someone here, that pet goes to Rainbow Bridge. There are meadows and hills for all of our special friends so they can run and play together. There is plenty of food, water and sunshine, and our friends are warm and comfortable.

All the animals who had been ill and old are restored to health and vigor, those who were hurt or maimed are made whole and strong again, just as we remember them in our dreams of days and times gone by. The animals are happy and content, except for one small thing; they each miss someone very special to them, who had to be left behind.

They all run and play together, but the day comes when one suddenly stops and looks into the distance. His bright eyes are intent, his eager body quivers. Suddenly he begins to run from the group, flying over the green grass, his legs carrying him faster and faster.

You have been spotted, and when you and your special friend finally meet, you cling together in joyous reunion, never to be parted again. The happy kisses rain upon your face, your hands again caress the beloved head, and you look once more into the trusting eyes of your pet, so long gone from your life but never absent from your heart.

Then you cross the Rainbow Bridge together.

South Euclid Humane Society

The South Euclid Humane Society will be decorating a tree with lights dedicated to our pets. Blue lights in honor of our living pets and white lights in remembrance of the pets we have lost. The program will also include a blessing of the animals.

The group has gone green. Rather than having ornaments, we are asking for donations of \$5.00 for each pine cone to hang on the tree. The donations will benefit the cats and dogs who are in our care.

You are invited to bring your pets to the blessing of the animals.

A reception will follow at city hall where there will be hot chocolate, coffee and refreshments and a few special animals who are looking for homes this holiday season.

We are very grateful for your generous spirit and love of the animals.
