

PIPE Materials to Share for July!

Hello Euclid Creek PIPE Committee Members,

Happy July! I hope you are all doing well. I am still working remotely from home, but available during normal work hours by email or phone. Here are a few reminders and items to send out to your residents.

Monthly Conservation tip - Since it is July 1st - it's a good day to post your July calendar page and text on social media. This is in the dropbox folder titled - 2020 Monthly Conservation Tips. There is a jpg for July and word document with the text for each month.
