Fall into Backyard Composting
Free How-To Webinars Offered in September and October

Cleveland, Ohio – This fall, Cuyahoga County residents are invited to learn more about residential composting and creating the perfect soil amendment for their yard.

The informative, free webinars teach how to properly compost residential yard waste and food scraps. Composting and vermicomposting help reduce the amount of organic waste sent to landfills while creating a healthy soil additive that can be used in gardens and landscapes.

Three types of webinars are offered:

- Backyard Composting 101
- Composting with Worms: Vermicomposting 101
- Composting Creatures for Kids

Composting webinars are held at least twice a month from April - October. Registration is required through Zoom Meetings.
